

Alexandria Scottish Rite Valley Job Positions

With any affiliation, a member's understanding, appreciation and enjoyment of the group grows with involvement and shared experiences. The comfortable sense of belonging that we gain through study of the group's history and its goals, through participation in its activities, and through personal interaction with its other members is essential to the richness of our perceived value of the group. There are many roles to be filled, jobs to be done, and opportunities to increase our knowledge and appreciation of the Scottish Rite. The following four tables provide lists of opportunities for our members to participate in the operations and functions of our Valley. Also provided are the name and e-mail for the Brother to be contacted to find out more about which job might be best for you. In addition to these positions, every 32^o Brother should find out more about, and consider getting involved with the **Knights of St. Andrew (KSA)**; a group of dedicated Brothers who provide many services to the Valley and enjoy many social activities together. KSA Information and a membership form can be found at <https://alexandriascottishrite.org/group/knights-saint-andrew>.

The first Table shows the Reunion Production Support positions. The second table lists Degree Cast positions. The third table lists Committee positions and the last table shows Appointed Officer positions to be filled for the coming year. Many of the positions need more than one person to allow for training and to ensure continuity of operations in spite of illness, travel or normal job rotation.

1. Production Support Teams provide full support at Degree Cast rehearsals just prior to, and Degree Conferrals at both the Spring (April) and Fall (October) Reunions. These Brethren need new Support Team Members to join them, to spread the work among many hands to lessen the individual load.

2. The work of the Degree Cast Members occurs at the Degree Masters' call prior to and during the Reunion. Casts will have practice and fully supported rehearsals plus the Reunion conferral. Multiple actors for each role are needed to allow cast backup and rotation. The Degree Master will provide scripts for memorization well in advance, and Conferrals should be done by memory. Speaking parts range from one or two lines to several pages. Some parts are non-speaking and are indicated in the below list by the asterisk (*) after the Role name. Those with small speaking parts are shown with the number sign (#). When you contact the Degree Master listed below for each degree, discuss your interest and prior experience with Masonic Ritual or other performing activities.

4. The Officers of the four Valley Bodies include both Appointed and Elected positions. Typically, the senior four or five positions are elected and the presiding officer of the Body appoints the remaining positions. Exceptions include the Valley Secretary and Treasurer (and their Assistants) who are appointed by the SGIG. The Lodge of Perfection, Chapter of Rose Croix, Council of Kadosh and Consistory Officers are elected/appointed at the November and December stated meetings and are installed immediately prior to the following January stated meeting. If you are interested in becoming an Officer of one of the four Bodies in 2024, contact one of the Officers named below. **Officer Job Descriptions** can be found at the “all publications” page of asrva.org at “2014 10 10 Jobs Report (Final).pdf”.
